### Game Highlights

This was the U19's first seeding game and for some of the players their first game for North Harbour.

The team was dominant in set piece in particular the scrums with the forwards setting a great platform for the backs.

Defence was also key despite Northland being in the 22 of Harbour the team defended well and gained turnovers to then exit the danger zone.

It as a great start to the seeding round with a big step up this coming week with an away game against Auckland U19 Development.
