Game Highlights

The team gathered for our last game against Counties at East Coast Bays under cloudy skies. As has happened several times the opposition were first on the board with a converted try in the second minute. The Counties side played with much spirit and heart while the Harbour side worked hard to gain periods of control. Osea Qamasea crossed for the first Harbour try of the day in the 11th minute. The middle period of the half was dominated in periods by the Harbour side and they were again

rewarded by another Osea try in the 20th minute which was converted by Robbie McIntosh. Play moved up and down for the remainder of the first half with both sides having periods of control. Counties crossed again at the 38th minute mark for their second converted try to make the half time score 12-14 to the visitors. Harbour scored immediately after the break through a penalty to Robbie McIntosh to take back the lead however Counties were not done and scored their 3rd converted try at the 6th minute of the half. Play moved up and down the field with both sides having more periods on attack. Harbour scored again with a try to Alex Wooton at the 15-minute mark to bring the scores to 20-21 with half the second half to run. The game remained tight for the remainder of the half with the Harbour side finishing strongly trying to get the W. Right at the end of the game (the 83rd minute!!) Osea crossed the line for his 3rd try making the final score Harbour 25 – Counties 21. This brings to the end a strong season for this team of young men that have worked hard together as a group and have all played proudly for the Hibiscus!!
